PROFESSIONAL EXPERIENCE

Customer Support Representative – TTEC Sept 2024 – June 2025

- Conducted comprehensive reviews of **KYC processes** and assessed **Source of Wealth** documentation to ensure regulatory compliance; investigated potential **fraud patterns** and **money mule activity**.
- Trained and mentored new team members, providing hands-on guidance on procedures, compliance standards, and best practices.
- Delivered high-quality customer support via **Zendesk**, resolving compliance-related inquiries with accuracy and professionalism.

Tele-Agent with English – TELUS International Sept 2023 – Sept 2024

- Investigated and resolved **compromised accounts** by analyzing login activity, identifying security breaches, resetting credentials, and implementing preventive measures to strengthen account security.
- Trained and mentored new team members, equipping them with the knowledge and skills needed to deliver effective player support.
- Provided player support through **Zendesk** and **Salesforce**, resolving in-game issues, performing technical troubleshooting, and addressing error reports with efficiency and accuracy.
